TOURNAMENT
—Fundraisers—

HOW TO MAXIMIZE CHARITY CONTRIBUTIONS

Golf outings offer a unique and flexible approach to fundraising, providing more than just a fun day on the greens. They are an effective way to maximize charity contributions.

Putting Contest

A putting contest or SNAG golf event can be held before, during or after your golf tournament. These events will serve as an additional fundraiser. Charge the golfers for each attempt to qualify or simply putt for prizes that are strategically positioned on the green.

Selling Mulligan

A mulligan, most simply put, is a "do-over." Hit a bad shot? Take a mulligan and replay that stroke. An easy and inexpensive way to make money for your charity golf tournament.

Pro for Hire - \$200 per day

The golf course holding the event will provide you with a golf pro, who will be stationed at the longest and most difficult hole on the course. They will be there for the length of the day. This pro should be one who has a particular skill for hitting very long drives. Golfers will have the option to pay the pro to make the shot.

Closest to the Pin

This event is hosted on a par 3, a marker is placed at the ball that is hit closest to the pin. The marker can be moved with each group as the closest to the hole can change with each group.

Longest Drive

This event is very similar to "Closest to the Pin" in the way it is run. A prize is awarded for the longest drive off the tee to the fairway. This is generally played on a par five hole. Markers are provided by the club.

Closest to the Object

An object or rope can be placed in the fairway and the player's ball, throughout the day, who is closest to the object or line is the winner.

"Super Ticket"

This ticket includes; Putting Contest, Mulligans, Longest Drive and Closest to the Pin. Players are to purchase this upon arrival in order to be included in all of the days competitions. This ticket usually generates a great profit for your organization, and is a great way to mix things up on the course.

Leaderboard Scoring

Ability to have live leaderboard scoring after each hole. Follow the action in the clubhouse, on the patio, or on your mobile with live leaderboards, photos and more.
