TESTIMONIAL

“We had our wedding at Rochester Place in October 2024 and *loved everything about it!* The planning with the staff was easy and convenient. They answered all of our questions and accommodated our requests. We had our ceremony on the Rendez Vous patio, followed by the reception inside. Our guests said that it was the best appetizers and meal they've had at a wedding! We had a great time. The venue was beautiful and the staff were great.”
